

Welcome back Superstar Families,

We are pleased to offer your student(s) an opportunity to participate in the After School Program for the 23-24 academic school year at Hollywood Park Elementary. Program will be accessible beginning on the first day of school August 31st, 2023 and will operate daily on all days that school is in session. The After School Program is grant funded by the district and so it is very important that you register soon as our roster spots are limited. Roster spots will not be guaranteed without registration and a confirmation of acceptance from parents/guardians. Apply now to avoid being waitlisted. Registration is open now at the link provided below. Confirmation window will close on Friday August 11th. Once rosters are confirmed, we will send a follow-up email with any safety/procedure protocols that will be in place for student participation & parent pick up. Thank you for your time and we hope that all continue to enjoy their summer break, we look forward to seeing you in the next coming weeks. Please use the following links for registration.
